### *Did You Know?*

### THE ST. ALEXANDER GROTTO

Article Written by Marianne McKeague in 2017

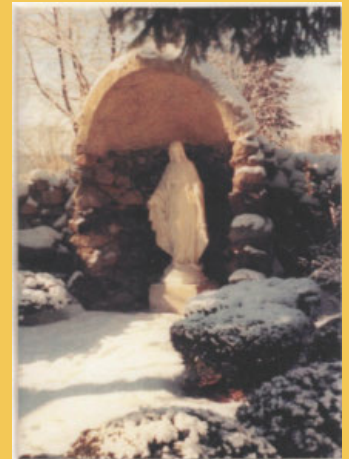

In the spring, especially during May, our thoughts turn frequently to Our Lady, the crowning of Our Blessed Mother, etc. Perhaps some of you have wondered a little about the beautiful Mary statue, and the grotto which formerly enshrined her. That grotto was in the southwest corner of the large Cornell Street parking lot. Why was it built and why was it placed there?

The grotto itself has a very interesting history. It was built in 1925 on the very spot where the Ku Klux Klan erected a burning cross when the news first spread about the plans to build the St. Alexander Church. Fr. Kennedy, founding pastor of the parish, when informed about the burning cross said, "we'll build a grotto on the very spot in honor of Our Blessed Mother."

The Morgenthaler Brothers, Carl and Andres, with the help of Chester Drake, Harry Waldon, Bill Blyth, Ralph Zinger and others, were able to borrow a horse and wagon from Mr. Casper, a local building contractor at that time. They hauled huge stones from the Lombard brick yard (the present Hammerschmidt School in Lombard stands on the site of this old brick yard.)

Father Kennedy and the 6th, 7th and 8th graders worked hard on Saturdays and after school hours hauling the smaller stones.

The original statue for the grotto was purchased by Father Kennedy and it was made of concrete (so it would not burn). Mr. Pelnar weather-proofed it and enameled it white. The story is told that eventually bees got into it and the statue deteriorated, so it was replaced with the present statue.

On Memorial Day, 1926, the school children crowned the Blessed Virgin for the first time, and this custom has continued through the years

Perhaps the next time you gaze at the statue of Our Lady, your reverence will be rekindled and increased because of the unusual history attached to this lovely monument.

## Parishioner Registration

### Why register with St. Alexander Parish?

**Faith is a Journey, not a Destination.** Registering with the parish is a commitment to your Faith Journey and St. Alexander's would like to walk with you.

### Benefits to registering as a Parishioner:

1. Registration helps you stay connected with the parish, builds community and helps the parish stay connected with you.
2. Other parishes (*including St. Alexander*) often request verification of a person's status as a practicing Catholic, attendance at Mass, sacraments, etc., when that person has been asked to be a **Godparent or Confirmation Sponsor**. Without registration, no such verification can be made.
3. Census numbers may determine how many priests are assigned to a parish and how many Masses and enrichment programs are planned and scheduled.

### The 2024 CATHOLIC MINISTRIES ANNUAL APPEAL

#### PLEDGE REPORT: Oct. 27, 2024

Thank you to all those who have made pledges. Please continue to make your **2024 CMAA** pledge payments. **Once** we have reached our goal in paid pledges, 70% of the additional funds received will be returned to the parish for our use.

### Welcome to St. Alexander!

We are blessed to have you with us today—and every weekend! Our liturgies are enhanced by your presence and participation. We hope that you find the experience here at St. Alexander's to include a warm and inspiring celebration of the Eucharist and the faith that we profess.

DIOCESE OF JOLIET

### VOCATIONS OFFICE

*This is Part 2 in a 3-part series of columns on the importance of your help in the formation of new priests*

## Priests do not come from a big warehouse

BY FR. STEVEN BORELLO  
DIRECTOR OF VOCATIONS  
DIOCESE OF JOLIET

When I was a little boy, I would often wonder where priests come from.

It's funny now, but I really thought there was a giant warehouse or training facility where they were waiting for a call from the coach to put them in the game. Almost like with baseball, when it was their time, they would get called up from the minor leagues and if they did well, they stayed and if they didn't, they'd be sent back.

Now I know that isn't the case, but to a second grader it made all the sense in the world. The truth is, priests come from families. They come from homes like yours and mine and they live ordinary lives like everyone around us. They go to school, play sports, have hobbies, some dated, some didn't, they participate in Church, and they have friends and siblings who help form their character and a real sense of who they are as a person and what they stand for. It is from within this community that they

begin to know and have a relationship with God.

One of the greatest obstacles to young men knowing that the priesthood is something they might be called to is apparent lack of support from within the family for a priestly vocation. We were often asked if we wanted to be a doctor, a lawyer, a teacher, an engineer or something else when we grow up, but rarely were we asked if we ever thought about the priesthood. Now, I know it is objectively different because it is a vocation and not a career, but what if we gave it the same attention? I truly believe more men would be open to exploring the thought that 'maybe I'm supposed to be a priest.'

So, what are three things a parent can do to create space for a priestly vocation in the family?

1. Make Sunday and any sacramen-

tal occasion (Confession) special.

2. Take time to talk about how God has impacted your own life and show your children how you pray.

3. Live well the life of virtue and continue working on your own marriage.

Whether it is simply the prayers before meals, Weekly Sunday Mass, or an occasionally rosary or sacrament of confession, these men encountered God and began to walk with Him. They may not have always prayed or been the best people, but God is faithful and walked with them through their ups and downs just like our families do with us.

From within the family, a vocation is cultivated, and it is only with the support of parents, grandparents, siblings and friends that a young man can be open to a priestly vocation.

At some point, these men began to recognize within themselves that they were made for more — for a deeper relationship that called them to make a gift of themselves, to pour themselves out for the sake of others.

### Support our future priests through the second collection for Seminarian Formation!

Priests are essential to our Catholic faith, as only these holy men can transform bread and wine into the life-giving Body and Blood of Christ. The Holy Spirit has blessed the Diocese of Joliet with an abundance of vocations to the priesthood.

Currently, our diocese has 27 men in seminary formation, which costs \$52,350 a year per seminarian. To ensure we are always able to support our seminarians both prayerfully and financially, the Diocese of Joliet has established this second collection.

At Masses next weekend, Nov. 9/10, our parish will take up a second collection for this effort. Gifts will be invested in an endowment designated specifically for seminarian education.

Please prayerfully consider supporting this second collection. To learn more about this campaign, or to make a gift online, please go to [giving.diojoliet.org/seminarian-endowment](http://giving.diojoliet.org/seminarian-endowment).
